Mike: I received EPA's FOIA response today. Thank you. Regarding the fees, the correspondence from EPA referenced a "Bill of Collection" which was not included. Can you please advise me as to where I am sending payment, and to whom the payment should be made out to? Or perhaps direct me to the proper person?

Thank you,
Brian C. Quiros

Brian,

We will begin processing the certification of these documents.

As for dates for the deposition, which again EPA is not agreeing to allow testimony at this time, Ms. Tisa is available on 10/11 and 10/17.

Thank you,
Mike

Mike: As discussed, attached are twenty (20) PDFs representing Ms. Tisa and/or EPA documents we would like to have authenticated pursuant to 40 C.F.R. 2.406.

The documents are named/saved chronologically. For example the document labeled "20170920 152, Tisa email to Trombly" was sent on September 20, 2017, 1:52, by Ms. Tisa to Mr. Trombly.

Regarding the 20170713 & 07/14 emails, please be aware that those are two (2) separate and distinct emails. Also, regarding the 20170504 email from Ms. Tisa to Mr. Zarba, please be aware that we need authentication for both the email and the attachment.

If you have any questions, please don't hesitate to call.
Thanks again,
Brian C. Quiros

Brian,

Thank you for this confirmation. I have reached out to Ms. Tisa regarding availability on those dates. I'll get back to you as soon as I have more information there.

We will begin to gather the documents responsive to the subpoena duces tecum and process pursuant to the Freedom of Information Act.

We look forward to receiving further information as to why it is clearly in the interests of the Agency to allow Ms. Tisa's testimony.

Have a nice weekend,
Mike
